This year's hats feature a light tan crown with a navy blue sunshade trimmed to match the crown tan.

This year's logo featured the Combat Infantryman's Badge set over our unit's guide on flag colored in navy blue.

The color shown shows the polo shirt in a lighter color than it is in real life. The visor of the hat and the shirt match in dark navy blue.

The shirts are all high quality, pre-shrunk cotton and the sleeves have stretchable trim.

On the left is a Huey gunship over our Association logo.

The rotors measure 4 inches in length, as is the Association's insignia.

On the right is a Combat Infantryman's Badge over the 12th Infantry Regiment's Crest bordered by the two Divisions that our battalion served in during its time in Vietnam.

Beneath those shows the Vietnam service time for the men who belong to Alpha Association.

Due to the additional details that we to our shirts this year we were required to raise our price to \$40. per shirt and \$20. per hat.

In the past the Association had ordered a number of shirts and hats that ultimately remained unsold. In an effort to prevent this waste of money, we are now asking everyone who wants a shirt or hat to pre-order the association's offerings. They will be ordered from our supplier and delivered to the reunion to be passed out then. If you do not intend to go to the reunion and still want the hat or shirt we can mail it to you as soon as we receive the items.

All items must be paid in full. As I will be the one to order the goods please order through me using the form below:
