Hello mom & Dad,

Here I am sitting on a boat just off the shores of South Vietnam. From here the terrain doesn't look like its too suitable for a camper. I'll let you know more on that later. Maybe you are thinking of a Aisan Tour. Ha!

From Okinawa to here the water was smooth. We saw a few more ships and quite a bit of sea life. The last night we had to ~~wait~~ ~~to~~ go in big circles till 1300 hours today to come into the harbor. During that time at night we observed heavy artillery fire plus lots of other big stuff flashing along the horizon. I think the V.C. were having a hard time. Sure hope so.

Tomorrow I leave this ship to go into our assigned area. Might be a few days before I'll be able to write. Say hello to all. send Navv's address.

Love Donnie (Doc)
